

Bibles for China

A passion for Bibles. A heart for China.

Bibles for China (BFC) is a non-profit ministry that has been funding and distributing the Word of God in the rural and rural poor areas of China through the generosity of their faithful supporters. When God opened the door for the Bible to be available in China again, our founder made a promise to a small gathering of rural Christians in central China that he would find a way to see that everyone who wanted a Bible in rural China would be able to have one, in spite of their ability to afford it. This has been our mandate from the beginning and will continue to be so into the future.

Bibles for China is committed to doing whatever we can legally do to help Christians in rural China have access to the Word of God. We partner with trusted brothers and sisters within the church in China. These partners find where the needs are greatest and see to the details of the distribution of Bibles. With a population of 1.4 billion people and over 100 million Christians, the need for the Bible is still great.

For many years the Bible was illegal and officials actively worked to remove the Bible and all it stood for from public life in China. But now the Word of God is again legal. While there have been increasing challenges for the church the last few years, the doors remain open for us to help get the scripture into places it has long been absent. We will jump through as many hoops as is necessary because we believe that the Bible transforms lives in countless ways. When the Bible is read, believed and applied, it makes such an incredible difference in individuals, families and communities.

God has blessed us with an incredible opportunity to make a difference in China. The opportunity to do something for those in China is quite simple. We ask you to seek what God would have you do. A one-time gift or a recurring monthly donation would go a long way toward seeing many receive God's Word and for many coming to know Jesus personally.

Thanks for your interest in our work, and for your prayers and support.

In Service Together,
Kurt Rovenstine
President-Bibles for China
